THE MEMORY CHOIR

Mama mia

I've been cheated by you since I don't know when
So I made up my mind, it will come to an end
Look at me now will I ever learn
I don't know how, but I suddenly lose control
Theres a fire within my soul
Just one look and I can hear a bell ring
One more look and I forget everything w-o-o-oh

Mama Mia, here I go again
My my how can I resist you
Mama mia does it show again
My my just how much I missed you
Yes I've been brokenhearted
Blue since the day we parted
Why why did I ever let you go
Mama mia now I really know
My my I could never let you go

I've been angry and sad about things that you do
I cant count all the times that I told you where through
And when you go, when you slam the door
I think you know that you won't be away too long
You know that I'm not that strong
Just one look and I can hear a bell ring
One more look and I forget everything W-o-o-oh

Mama mia here I go again
My my how can I resist you
Mama mia does it show again
My my just how much I missed you
Yes I've been brokenhearted
Blue since the day we parted
Why why did I ever let you go
Mama mia even if I say
Bye bye leave me now or never
Mama mia, its a game we play
Bye by doesn't mean forever

Mama mia , here I go again
My my how can I resist you
Mama mia does it show again
My my just how much I missed you
Yes I've been brokenhearted
Blue since the day we parted
Why why did I ever let you go
Mama mia, now I really know
My my, I could never let you go

MOON RIVER

Moon river, wider than a mile
I'm crossing you in style some day
Oh, dream maker, you heart breaker
Wherever you're going, I'm going your way

Two drifters, off to see the world
There's such a lot of world to see
We're after the same rainbow's end, waiting,
round the bend
My Huckleberry Friend, Moon River, and me

Instrumental

Wherever you're going, I'm going your way

Two drifters, off to see the world
There's such a lot of world to see
We're after that same rainbow's end, waiting,
round the bend
My Huckleberry Friend, Moon River, and me

THE MEMORY CHOIR

Close to you

Why do birds suddenly appear
Every time you are near?
Just like me
They long to be
Close to you

Why do stars fall down fall down from the sky
Every time you walk by?
Just like me,
They long to be
Close to you

On the day that you were born
The angels got together
And decided to create a dream come true
So they sprinkled moon dust in your hair
Of gold and starlight in your eyes of blue

That is why all the girls in town
Follow you all around
Just like me
They long to be

Close to you

(Instrumental)

On the day that you were born
The angels got together
And decided to create a dream come true
So they sprinkled moon dust in your hair an
Of gold and starlight in your eyes of blue

That is why all the girls in town
Follow you all around
Just like me
They long to be
Close to you

Just like me
They long to be
Close to you

Why…Close to you
Why…Close to you
Ha….Close to you
Why….Close to you

THE MEMORY CHOIR

LET THERE BE LOVE

Let there be you,
Let there be me,
Let there be oysters
Under the sea

Let there be wind,
An occasional rain,
Chile con carne,
Sparkling champagne

Let there be birds
To sing in the trees,
Someone to bless me
Whenever I sneeze

Let there be cuckoos,
A lark and a dove,
But first of all please,
Let there be love

(Instrumental)

Let there be cuckoos
A lark and a dove\
But first of all please,
Let there be love

Hmmm love
Hmmm love

Let there be love
